

## Community Notice

The Chief and Council of Bear River First Nation are proud to announce that as of today the Digby Pines Resort and Golf Club ("Digby Pines") officially has new ownership. Bear River First Nation has partnered with Besim Halef and Glenn Squires, who are leading industry experts, and together we have purchased and now own Digby Pines.

We see this purchase and partnership as an excellent opportunity for our community both now and for our future. We will be holding information sessions over the next few months to share details, meet our partners and discuss the opportunities ahead.
