GAS BAR UPDATE

More than one person entering the Gas Bar at a time is now permitted.

To protect our Staff and Customers we are asking for everyone to still adhere to the following conditions:

- limit your trips to the Gas Bar to only when you need supplies
- avoid leaning on the counter and touching anything you don't intend to purchase
- when you can use the "tap" method for purchases
- bathroom facilities are closed to the public unless absolutely necessary
- avoid loitering

Please know the Gas Bar is kept regularly cleaned and sanitized, but the staff are taking extra precautions during this time.

The more we cooperate with safe practices, the better we can provide services to the Community.

REMEMBER: practice social distancing, proper hand washing and surfaces and DO NOT ENTER ANY COMMUNITY BUILDINGS IF SHOWING SYMPTOMS!!!

Thank you for your patience and understanding –everyone stay safe!
