RED ROAD PROJECT

'Community Notice from the Red Road Project

Kwe' Li'sitkuk First Nation Community members. I, Brock Meuse have the honours of being the Red Road Coordination this Summer. I am very excited to have some fun with various activities planned over the summer weeks. Please join me in these children/Youth/family activities as we role model that drugs and alcohol has no time in our lives "ever."

* More notices with event information to follow throughout the summer.

TROPICAL STORM ELSA

Prepare for Elsa to come for a quick visit to start your weekend off.

It is estimated to hit Nova Scotia and New Brunswick Friday Evening to Early Saturday Morning. Yarmouth, Digby, Annapolis and Cumberland Counties are currently the most at risk to receive heavy rains, downpours, strong winds and gust that could exceed 70km/h. It is currently not a concern for Tropical Storm Elsa to bring scattered outages, floods and broken tree limbs like past storms, but please still prepare. Storms can be unpredictable.

POOL/COMMUNITY PARK/PLAYGROUND

COVID Reminder - The Pool/Community Park Area is open to Band/Community Members Only.

NEW - There is now NO Smoking permitted in the entire area.

Reminder - This is a drug and alcohol free area.

Please respect all pool rules. They are there to create a health, safe environment that protects our community.

Closure/Swimming Lessons - The Swimming Pool will be closed to the community during scheduled Swimming Lessons. Lessons are scheduled Monday and Wednesday from 4:00 PM to 6:30 PM.
