

BEAR RIVER (L'SITKUK) FIRST NATION

August 2023

ANNUAL AUDIT

We are pleased to announce that we continue to complete audits successfully and on time each year including this fiscal 2022-23.

The Pandemic, fire and working from the trailers have not stopped this very important financial requirement.

Completing these audits yearly allows us to continue offer programs and services to our Band Membership.

Audits can be viewed for Bear River and all Canadian First Nations on the First Nations Financial Transparency Act (FNFTA) website.
