

Homelessness and Women- A Crisis

The Red Purse Project

We aren't able to eradicate all the problems for homeless women, but we try and make their life a bit more endurable by gifting them a purse filled with personal care products.

Each year we ask for your help in assisting us to fill the purses, and each year we realize it is more difficult to do, so we are very appreciative of your generosity and whatever your donation may be.

We strongly suggest to donate **Travel Size Items** as they fit more easily into a purse.

Travel Size Items ONLY:

Tampons/Pads
Shampoo
Toothbrush

Deodorant
Conditioner
Toothpaste

Wipes
Comb/Brush
Kleenex

NOTE: We will accept anything else you would like to donate: Eg: scarves, mitts/gloves, hats.

If you would like to donate **Travel Size items** for the purses, please contact:
