

Keep Children Safe Online: Information, advice, support - Internet Matters

As children use the internet more, they deserve a safe digital world.

The following website has lots of great information to help keep our children safe, help parents have those hard talks with their child, age-appropriate apps, online safety, and lots more.

Key internet safety issues

Online safety issues could include cyberbullying, the pressure to take part in sexting, encouragement to self-harm and viewing pornography, along with many others. But there are positive things you can do to help prepare yourself and your child to confidently tackle any issue they may face. We've created a number of internet safety advice hubs to help you learn more and find support for these risks.

 Cyberbullying +	 Online reputation +
 Fake news & misinformation +	 Privacy & Identity theft +
 Inappropriate content +	 Radicalisation +
 Online grooming +	 Screen time +
 Online hate +	 Self-harm +
 Online pornography +	 Sexting +
