

# CALL FOR NOMINEES YOUTH ASSEMBLY

In 2017, we conducted a survey on having a Mi'kmaq license plate. We asked where the funds from the license plate should go, and "youth events and activities" was identified. Since the launch of the Mi'kmaq License Plate, the Mi'kmaq Youth Special Purpose Fund brings in approximately \$25,000 per year and is now over \$111,000.

We have decided to use this funding for the development of an Assembly of Nova Scotia Mi'kmaq Youth to help support the work of the Assembly of Nova Scotia Mi'kmaq Chiefs.

## ABOUT THE ROLE

Being a part of the Youth Assembly will ensure our next generation's voices are heard. You will attend and be a part of the discussion and decision-making processes at the Assembly of Nova Scotia Mi'kmaq Chiefs' table. The voices of our youth are valued and need to be heard throughout all processes. We want to help ensure our Mi'kmaq youth from Nova Scotia are heard loud and proud!
