Youth Assembly: NOMINATE NOW!

In 2017, we conducted a survey on having a Mi'kmaw license plate. We asked where the funds from the license plate should go, and "youth events and activities" was identified. Since the launch of the Mi'kmaw License Plate, the Mi'kmaw Youth Special Purpose Fund brings in approximately \$25,000 per year and is now over \$111,000.

We have decided to use this funding for the development of an Assembly of Nova Scotia Mi'kmaw Youth ages 16-26 to help support the work of the Assembly of Nova Scotia Mi'kmaw Chiefs.

ABOUT THE ROLE

Being a part of the Youth Assembly will ensure our next generation's voices are heard. You will attend and be a part of the discussion and decision-making processes at the Assembly of Nova Scotia Mi'kmaw Chiefs' table. The voices of our youth are valued and need to be heard throughout all processes. We want to help ensure our Mi'kmaw youth from Nova Scotia are heard loud and proud!
